We work with selected caterers and recommended wedding planners. We have selected them carefully to make sure they match with the quality we wish to offer our guests.

The caterers offer a wide range of options:

From festival style food truck bites to Mediterranean tapas.

A yummy 3 course menu to a sophisticated menu with the courses you wish.

Local dishes to modern worldwide cuisine.

The private chef could serve breakfast, bartenders can offer a cocktail bar.

The quotes depend on your wishes. Calculate that menus start from €40 p.p..

Once Mas Santo is booked for your Big Day I will pass all details of the caterers and wedding planners. We encourage you to get in touch with your preferred selection so you can ask the professionals to help you with your ideas.
